Mobile Add-ons

Mobile Phone Data Add-ons

Social Mobile

\$10.00/Month

Social Mobile comes with 50Mb of data a month. What does 50 mobile megabytes look like? For most people, that's enough for about 50 text-only emails/day + 2 emails with attachments/day + browse 5 web pages/day + stream 5 minutes of m.youtube.com/week + download 2 songs or applications/month. Extra data is 20 cents/Mb.

Charged Mobile

\$20.00/Month

Charged Mobile gets you 500Mb of data a month - enough for about 100 text-only emails/day + 5 emails with attachments/day + browse 50 web pages/day + stream 15 minutes of m.youtube.com/week + download 10 songs or applications/month. Extra data is 4 cents/Mb.

Infinite Mobile

\$35.00/Month

If you have multiple email accounts on your mobile phone, use your mobile phone for Skype calls or downloads and perhaps use your mobile phone to connect your laptop to Internet (a.k.a. tethering) – this is the perfect data add-on for you.

Need BES? Add-on BlackBerry Enterprise Server (BES) to your mobile phone data plan

BES

\$3.00/Month

WIND fully supports the BlackBerry smartphone, including integration with your corporate email. Corporate email access requires BlackBerry Enterprise Server (BES), which can be added to your Charged or Infinite BlackBerry add-on for an additional \$3/month.
